Journal – Integration #1

So you've spent more than a week now at your co-op placement. How are things going? Do you look forward to going to your placement? What have you been asked to do at your placement? How have the employees or supervisor made you feel welcome? Is your placement what you expected? Why or why not? Is there anything you would like to change about your placement? Do you have any concerns that I should be aware of? Is there anything that I can help you with?
